CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Music Clinic Is Underway Pahokee

Forty-two students had enrolled Tuesday in the Summer Band Music Program at Pahokee High School, according to Bandmaster Robert O. Lampi who is serving as director and instructor of the six-week music clinic which is part of the "Summer Enrichment Program" sponsored by the County Board of Public Instruction for the school children of the County.

There are 17 beginners and 25 regular band members taking part in the program to date and more are expected to enroll when those who are now out-of-town on vacations return home with their families. This year's enrollment of beginners is larger than last year's, while the enrollment of the regular band students, with some away attending summer music camps, is smaller.

There are still 10 school-owned band instruments available for students, including three Sousaphones, according to Mr. Lampi, who says that one or two of the Sousaphones should be put into use in order to balance the various divisions of next year's PHS band.

Street Dance Is Scheduled June 28

Police Chief Leon Guthrie announces another Street Dance for Pahokee on the night of Friday, June 28. The dance will be given under sponsorship of the Police Department, Mr. Guthrie said, and there will be no admission fee. The Chief has made arrangements with the same band that played for the recent street dance. Mr. Guthrie said the LaBelle band was "made to order" for such an affair and he believes that the youngsters and older alike will enjoy the forthcoming affair. Everybody's invited, the Chief said.

Shoe Shop Will Return To Pahokee

Mr. and Mrs. Lonnie Moore plan to move from Marathon to Pahokee around July 1. Mrs. Moore, the former Nell Miller, will reopen her shoe repair shop at the same location on Lake Avenue she operated her business before going to Marathon. Mr. Moore will operate a garage and car repair service in the building on Belle Glade Road formerly occupied by Mock's Upholstery Shop.

HOOKS APPOINTED

D. L. Hooks, of Canal Point, has been appointed as a member of the Northwestern Palm Beach County Public Hospital Board to succeed A. R. Harrington whose term expires on June 22. The board operates the Everglades Memorial Hospital in Pahokee. The appointment was made by Gov. Collins. It is the policy of the hospital to pass the membership around and not to re-appoint any member.

Mrs. C. W. Duke, who has been the house guest of her son-in-law and daughter, Mr. and Mrs. Perry Hall, this season, left last weekend for a visit with relatives in California.

Picnic Center Readied By Lions

Canal Point Lions at their dinner meeting Monday night made plans to get the recreational area north of the boat ramp at the Canal Point waterfront ready for use by the public. Plans include the trimming of trees and the clearing of underbrush from the pine grove, and the placing of 10 picnic tables with benches in the grove. Two barbecue pits will be built later.

Motion pictures of the parade at the recent State Lions Convention in Daytona Beach were shown to the group by M. M. Martin, Jr., who attended the convention, together with Mr. and Mrs. J. W. Pepper and Osceola Upthegrove.

Funeral Services Dr. W. O. Strickland

Funeral services were held at 11 a. m. Saturday morning at Glennville, Ga., Baptist Church for Dr. W. O. Strickland, who died Thursday afternoon from a cerebral hemorrhage. Funeral services were conducted by Rev. J. B. Johnson and burial was in the Glennville cemetery.

Survivors are: His wife, Mrs. Elizabeth Strickland; a daughter, Mrs. Paul Rardin of Canal Point; one son, Walter of Orangeburg, S. C., and another son, Harold of Atlanta. One brother, J. N. Strickland of Tampa also survives.

Dr. Strickland had been a practicing dentist in Glennville for nearly 51 years. He had worked on Monday of last week and was stricken early Tuesday morning. He was taken to the hospital where he never gained consciousness before his death at 5 p. m. on Thursday. The esteem in which Dr. Strickland was held in Glennville and Tattinall county was evidenced by the mountains of flowers at the funeral.

Mrs. Rardin is remaining with her mother in Glennville for two weeks before returning to her home in Canal Point. Mr. Rardin returned from there on Sunday. The Rardins were called to Glennville on Tuesday afternoon of last week and were there when Dr. Strickland passed on.

Prisoner Cost Said To Be High

Cost of the per prisoner work day at the County Stockade of \$5.06, was attacked as being too high by County Commissioner Paul Rardin Monday.

"We have 40 prisoners there now," Rardin said, "and we were told that with that number we could bring the cost down to below \$5.00. I would like to know why it hasn't been done."

Engineer S. R. Middleton was asked to investigate and report back to the board.

Mrs. Jess M. Elliott and sons, Chuck, Pat and Mike, left this week for Lakeland where Chuck and Pat enrolled in summer school at Florida Southern College. Mrs. Elliott and son, Mike, will visit her sister, Mrs. Mildred Chapman, at Lakeland before returning home.

NEW ROTARY PRESIDENT

JOE ALDERMAN

Joe Alderman, owner and operator of Glades Mercantile Company in Pahokee, will become president of the Pahokee Rotary Club July 1. At the final meeting of the Rotary year on June 28 President Vance Denton will hand the gavel over to the incoming president. Mr. Alderman will preside at his first meeting on July 11 as there will be no regular meeting on Thursday July 4, a national holiday. The new president joined the club in 1939 and has been an active Rotarian, working diligently on every committee to which he has been assigned through the years.

Phone Company Safety Award

Men and Women of the Southern Bell Telephone Company have earned the 1956 Award of Honor, the highest safety award given by the National Safety Council. E. F. Reddy, Southern Bell District Manager, said, "This is the fifth time in six years that the telephone industry has received the award."

In winning such an honor, an industry must do more than just chalk up an outstanding safety record. Reddy said the award is based on the number of days lost as a result of accidents per man hours worked, as well as the number of accidents per man hours worked. The improvement is then measured against the average of the previous three years of both companies and the communications industry.

The Safety Council reports, "The communications industry continues to hold first place as the safest in all industry." The Bell Telephone Companies with more than 700,000 employees are the largest group in the industry.

Summer Rec Is Started Locally

The Summer Recreation Programs at Pahokee and Canal Point got off to a good start this week, with more than 100 children registering for participation in the activities at the Pahokee city park where Coaches Bill Howard and Web Pelli are in charge, and approximately 60 registering at the Canal Point School where Kyle Scott and James Threlkeld are directing activities.

Will Regulate State Salaries

TALLAHASSEE — The legislature took action to improve the state's merit system by appropriating funds to establish a scale of uniform salaries for employees doing similar work in various agencies under the merit system.

The State Cabinet approved the first step of putting salary classifications into effect. A formula was adopted defining the term "minimum implementation" for which the legislature appropriated funds.

This provides that on July 1 all employees whose salaries are under the state merit system minimum for their job classification will be increased to the minimum.

Water Control Is Nearing Reality

Stating that, "Water has become our slave instead of our master," Donald D. Bock of the Central and Southern Florida Flood Control District summed up Florida's paradoxical water situation in an address at Florida A and M University today.

Speaking to the sixth annual economic and resource-use education workshop, Bock traced the history of too much and too little water in Florida for a period of more than 100 years.

He said, "During 100 years between 1848 efforts to control water were motivated by a single purpose: drainage. Paradoxically, modern efforts to control water are motivated by many purposes instead of this single purpose, and these include drainage, flood control, and water conservation in addition to other purposes."

Bock, who is head of the FCD's Division of Planning and Research, described how the present day Central and Southern Florida Flood Control Project is rectifying the errors of past drainage plans and solving the problem of "too much water in the wrong place at the wrong time."

He described how, paradoxically, the drainage works begin by Hamilton Disston in 1881 in the Kissimmee area, the Everglades Drainage District works south of Lake Okeechobee and the Army Engineer's great dike on the south rim of that lake are all coordinated into the multi-purpose flood control and water conservation plan now underway in central and southern Florida and yet each was originally designed for a different function.

Former Pastor To Live In Delray

Dr. Rembert A. Guy, former pastor of the Pahokee First Methodist Church, who has been in Key West for the past two years, retired from the ministry of the Methodist Church at the recent annual conference in Lakeland. Dr. and Mrs. Guy have purchased a home in Delray Beach where they are now living.

Mrs. Jess M. Elliott and sons, Chuck, Pat and Mike, left this week for Lakeland where Chuck and Pat enrolled in summer school at Florida Southern College. Mrs. Elliott and son, Mike, will visit her sister, Mrs. Mildred Chapman, at Lakeland before returning home.

"The Truly Distinguished Mind Prefers the Provinces"

Pahokee FFA Wins Second State Spot

The Pahokee Chapter, Future Farmers of America, won a superior rating and placed second in District 6 in chapter contests at the Florida FFA Convention in Daytona Beach.

By winning second place in its district, the Pahokee Chapter was placed among the 12 outstanding FFA Chapters in the State for achievements during the past year, and received a \$20 award. Present to receive the award on behalf of the chapter were Ray Waddell, retiring president and Eddie Vermonen, newly elected president of the chapter, who served as official delegates at the convention.

Heading the list of the Pahokee Chapter's achievements was the development of the chapter's herd of purebred Hereford cattle. This herd was established by the Pahokee FFA boys under the guidance of Loren O'Neal, chapter advisor, who has resigned from the Pahokee High School faculty after three years as head of the agricultural department and is moving with his family to Saucier, Miss., this summer.

Natural Gas Step Nearer For Florida

TAMPA — Natural gas for Florida came a step nearer this week when the Houston Texas Gas and Oil Corp. and Coastal Transmission Corp. announced that arrangements have been completed for the placement of their respective first mortgage pipe line bonds in the total amount of \$103,500,000.

The twenty-year bonds bear interest at 5 1/2 per cent and represent \$65 million for the account of Houston and \$38,500,000 for Coastal.

The two companies have been joined by the Federal Power Commission to construct and operate a natural gas pipe line from Texas to Florida.

Included among the prospective purchasers are the Prudential Life Insurance Company of America, the Equitable Life Assurance Society of the United States, John Hancock Mutual Life Insurance Co. and other leading insurance companies and institutional investors. Arrangements for the placement of the bonds were made by Blyth and Company, Inc. and Schaeff and Jones for Houston, and Lehman Bros. and Allen and Co. for Coastal.

Detailed surveying of the route and the acquisition of the right of way easements are now in progress by both companies. Actual construction of a segment of the line will be commenced by Coastal this week in the gas supply area in South Texas.

\$25,000 Award In Car Wreck Suit

A Palm Beach County Circuit Court jury Tuesday awarded Ellis O'Neal Murphy of Pahokee \$25,000 damages from Thomas Edward Hooks for injuries Murphy received in an accident last Nov. 19. Murphy had sued Hooks for \$125,000.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The County Commission Monday gave the City of Delray Beach 48 hours to remove two privies off its Negro bathing beach which were placed in violation of zoning ordinances June 5th.

The Commission instructed County Attorney Harry A. Johnston to send a registered letter to Delray Beach informing them of the 48-hour time limit to remove the privies.

The letter further stated that Delray Beach must present proper plans for construction of sanitation facilities to the County Zoning Commission, at which time a public hearing would be held for those objecting to erection of such facilities.

The 100-foot beach strip is entirely surrounded by the town of Ocean Ridge.

At Monday's meeting approximately 75 Ocean Ridge residents and members of the Florida Shores Association appeared before the

county board to present a resolution charging Delray Beach with committing an illegal act and violating zoning laws by placing the privies on the beach.

The resolution, presented by association president Harold E. Constant, asks that "in order to preserve peace and order among the enraged neighbors of the Delray Negro Beach and to prevent possible serious violence" the Palm Beach County Zoning Commission cause to be closed and barricade urgently as an emergency this illegal Delray Negro Beach which is a public nuisance and a menace to the health and safety of the community."

President Constant, at Monday's meeting, told the commission that "we are not here to harass you—we know you're trying to do all you can in a legal and decent manner, but this beach is a vicious abortion, an illegal monstrosity, and we urge that it be closed and

barricaded until the matter is solved—for the peace of the community."

Commission Chairman Kenneth P. Foster told Constant that "legally we can't barricade anyone's property." He thanked the association members for "holding your tempers and taking this in your stride—it's a trying matter, and you are to be complimented for handling it in the way that you have."

The commission said the association could request the Sheriff's Department to enforce the law by removing those beach users who, as the association charges, "used the ground and bushes for toilets and have changed clothes in the open and in cars" before the privies were placed on the beach. Constant said that "we have witnesses to prove these charges".

"The Sheriff's Department is your law enforcement agency to keep these people off the beach if they cause a health menace," Foster said.

Cinematic Chatter

By Malcolm Miller

Hello everybody! Joan Leslie has returned to the screen after an absence of two years. Miss Leslie has been devoting her time to top television shows. This choice of medium was principally dictated by an effort to reconcile the demands of her private life with her career.

Joan is married to Dr. William Caldwell and they have twin daughters, Patricia and Ellen, born in 1951. I've been an actress nearly all my conscious life and never will willingly abandon this work," Joan said. "However, my family must come first and I found it easier to work on television. It does not take as much time in comparison to motion pictures. Pictures are my first love and I intend to do more of them as my family grows up." Miss Leslie started her movie career at the

age of 15 when she signed a Warners Brothers contract. She was widely publicized as the studio's "Sun Goddess" and then found herself in a number of big pictures such as "Sergeant York," "High Sierra," and "Yankee Doodle Dandy." Miss Leslie's career was interrupted by the death of her mother, who had been her guiding light. Marriage and children provided further interruptions but now, she says, she is back to stay before the cameras, both movie and TV. See you at the movies—Mal.

Construction Starts On New Industry

OLDSMAR — Construction on Florida's newest industrial installation, the \$2 million Sperry Rand Corporation electronics laboratory, will begin this week.

Initial construction will consist of a 75,000 square foot, air conditioned building with occupancy estimated for December of 1957.

Eugene J. Venaglia, who will be Sperry Rand division manager here, said the first operations should employ approximately 159 scientific and technical personnel. Local workers will be used in the electronics, mechanics, lathe operator, clerks, stenographer and technical fields.

Work on the new plant will be research rather than manufacturing of an actual product. The work will be based on research in micro-wave physics and electromagnetic radiation for the practical uses. Much of the operation will be carried on outdoors.

NEW PATROLMAN

Grady Chancellor has been appointed a member of the Pahokee police force to fill the vacancy left by the resignation of Buck Norwood, according to Police Chief Leon Guthrie. Mr. Chancellor, a former member of the Pahokee police force, will assume his duties of office this Friday.

New Attraction Is Opened To Public

Florida's newest attraction, Weapons of the World, has recently been opened to the public. Many people are flocking to this recreation center to try their hands with the quaint and primitive weapons.

Extending into a Florida wilderness, the grounds are full of beautiful and enchanting jungle trails which lead to continent ranges. At each range typical weapons of a represented continent, displayed among authentic, replicated dwellings, are examined and used by the visitors under the supervision of an expert.

The attraction is causing noteworthy attention among historians, sport lovers and, generally, adventurous persons.

Complete Repairs On Turnpike

FT. LAUDERDALE — Completion of the repaving of a damaged section of the Sunshine State Parkway between Stuart and Fort Pierce has been announced by Thomas B. Manuel, chairman of the Florida State Turnpike Authority.

The repaving was necessitated when heavy, unseasonable rains during the latter construction stages of this 11-mile section caused damage which began to appear three month ago.

The northbound lanes were closed for repaving and traffic was maintained over the southbound lanes in both directions. This procedure was reversed when preliminary repairs were made to the southbound road.

Mr. and Mrs. Robert B. Simonson and children, accompanied by his uncle, Rollo J. Simonson, left Tuesday on a vacation trip to the Yellowstone National Park. Enroute they will visit relatives in Little Rock, Ark., and Girard, Ill.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

PAUL RARDIN, Publisher

PERSONAL NEWS NOTES

George R. Cason of LaBelle underwent surgery at the Everglades Memorial Hospital Wednesday. Mr. Cason is the father of Mrs. Bill Easterly of Pahokee.

Mr. and Mrs. Wendell Harris and children are spending the weekend with their parents, Mr. and Mrs. Homer J. Clause, at Lake Kerr. Their daughter, Faye, plans to remain at Lake Kerr for a two weeks' visit with her grandparents.

Mrs. Guy Thompson and daughter, Della Ann, left Sunday for a two weeks' visit with her parents, Mr. and Mrs. Pat Hales, in Jacksonville, Miss.

Mr. and Mrs. L. W. Mullis and daughter, Carolyn Ann, are visitors in Key West this week.

Diana Hawking plans to leave this week to join her parents, M-Sgt. and Mrs. J. B. Hawkins, in Aberdeen for the summer.

Mrs. Ruth Hatton spent the past week with her daughter, Miss Roberto Hatton, at Fort Pierce.

Mr. and Mrs. James W. Vann were visitors in Fort Myers last week and while they were there Mr. Vann delivered a Flag Day address at the Fort Myers Elks Hall.

Mrs. Howard Holman and children are visiting her parents, Mr. and Mrs. Gaston Fisher at Belmont, N. C.

Mr. and Mrs. Lewis Friend and Mr. and Mrs. George Tucker, Jr., enjoyed a boat trip to Fort Myers Beach Sunday.

Councilman Edgar Wilder was accompanied home from his brother-in-law, Ed Bennett, from Hendersonville, N. C., the past week when they were joined by Louis and Jerry Gold on a deepsea fishing trip.

Ladore Crosby is the house guest of her aunt, Mrs. T. A. Murphy, and family at Albany, Ga., this summer while attending five weeks of summer school there.

Harold Yoemans is spending the summer with his grandparents, Mr. and Mrs. T. M. Yoemans, at Adel, Ga.

Mr. and Mrs. W. P. (Bill) Culberson and family left Monday to spend the summer at Hendersonville, N. C., where Mr. Culberson operates a vegetable trucking business.

Mr. and Mrs. Grady Boynton, accompanied by their daughter, Mrs. J. R. Faulk of Bell Glade, have gone to Ochlocknee, Ga., for a visit with their son-in-law and daughter, Mr. and Mrs. Max E. Beverly.

The Rev. and Mrs. Charles D. Stewart had as guests the past week her brother and sister-in-law, Mr. and Mrs. James Norris and son, Jimmy, of Cedartown, Ga.

Mr. and Mrs. H. H. Sears, Sr., have returned from a vacation spent with their son and daughter-in-law, Dr. and Mrs. H. H. Sears, Jr., in Mississippi.

Mrs. L. R. Godwin has returned to Morven, Ga., after a visit here with her son-in-law and daughter, Mr. and Mrs. G. C. McElheny.

A. D. Beverly has gone to Mountain City, Tenn., to direct operations of his vegetable sales firm, Beverly's Inc., in that area through the summer. His son, Max Beverly, left for Winston-Salem, N. C., to attend summer school at Wake Forest University.

Mr. and Mrs. Lewis Vann and children are spending a vacation with relatives in Sarasota and Baxley, Ga.

Mr. and Mrs. Charles Jernigan have moved from Pensacola to Pahokee where they are now making their home. Mrs. Jernigan is the daughter of Mr. and Mrs. Fred T. Hickerson.

Mr. and Mrs. Elsworth Keen and children left Saturday to spend the summer at their home at Ridgecrest, N. C.

Airman 1-c Harry Levin, who returned last week to the United States from Guam, is spending a 20-day leave with his parents, Mr. and Mrs. Marvin Levin, in Pahokee.

Mr. and Mrs. Vance Denton and children, accompanied by Mrs. J. M. Templeton, are spending a vacation at Brasswell, N. C., where they are the guests of Mrs. Templeton's son and daughter-in-law, Mr. and Mrs. J. V. Gist.

Miss Frances Layton, Florida's current citrus queen, visited her parents in Pahokee last week. Miss Layton is making her headquarters at Cypress Gardens near Winter Haven until July 3 when she leaves on a tour of Canada.

Mr. and Mrs. H. A. Funderburk were accompanied home from a visit with their son-in-law and daughter, Mr. and Mrs. Davis Miles and family, by their three granddaughters, Kay, Paulette and Ellen, who are their house guests.

Mr. and Mrs. Bill Easterly and son, Lee, accompanied by his father, George R. Cason, of LaBelle, visited relatives at Fort Myers Beach last weekend.

Mr. and Mrs. Paul Tillery leave Saturday for a visit with his parents at Metter, Ga.

Mrs. Hazel Olson of Minneapolis, Minn., is a guest this week of her son and daughter-in-law, Mr. and Mrs. Fred Cone, in Pahokee.

Mr. and Mrs. Philo B. Williamson and son, Kenneth, accompanied by her mother, Mrs. Lizzie Kirkey, were visitors at Fort Myers and the Seminole Indian Reservation at Brighton Tuesday.

Mr. and Mrs. Harvey Batchelor are leaving this weekend for a visit with relatives in Brunswick, Ga. They will be accompanied by Mrs. C. H. Tillis who plans to spend the summer with her son-in-law and daughter, Mr. and Mrs. Charles Estes, at St. Simon Island, Ga.

Mrs. R. L. Kledzik and son, Raymond, returned Monday from Jacksonville Beach where they attended the wedding of her son, Ronnie Kledzik.

Frank Tillis visited his uncle and aunt, Mr. and Mrs. H. L. Jaudon, in Wauchula Sunday.

Mr. and Mrs. Leroy Padgett and family have moved into the residence on West Main Street, Pahokee, that was vacated by Mr. and Mrs. Lee Wroten when they moved into their new home at Ridgescot Gardens. Mr. Padgett is the driver's license examiner at the Florida Highway Patrol offices in Pahokee.

Nealy Johnson, student at the Georgia Institute of Technology, is employed by the Florida Power and Light Company for three months this summer under the Georgia Tech student cooperative work plan.

Walker Singletary returned home Monday from St. Mary's Hospital, West Palm Beach, where he was a patient the past week.

Mr. and Mrs. Ronald Slauder, who were guests of his parents, Mr. and Mrs. Walter A. Slauder, in Pahokee the past 10 days, were accompanied back to their home in Davison, Ohio, by his brother, David Slauder, who will spend the summer there.

Miss Verna Hartsoe, RN, who recently resigned from the nursing staff at the Everglades Memorial Hospital, left Sunday for her home in Philadelphia, Pa. She was accompanied by her house guest, Miss Dorothy Schuetter. Enroute they plan to visit her parents in North Carolina. Miss Hartsoe plans to continue her nursing career at Chicago, Ill.

Mrs. Evie Keen is spending the summer with her daughter, Mrs. Fay Ursry and family in Jacksonville.

EVEN PRETTY MISSES use the modern, primitive and historic weapons at WEAPONS OF THE WORLD near Winter Haven, Florida.

Mr. and Mrs. W. A. Slauder and family enjoyed a tour of South Florida last weekend.

Mrs. C. R. Wroten has gone to Jacksonville for a visit with her sister, Mrs. Mae Bailey.

Mrs. Josephine Arnold plans to leave by plane on June 26 to spend the summer with her brother and sister-in-law, Mr. and Mrs. C. R. Schultz, and family in Cleveland, Ohio.

Mrs. W. Roselle Wilson and son, Michael, are staying in West Palm Beach while Michael is attending summer school there.

Rupert Mock, Jr., is attending summer school in West Palm Beach.

Births

Mr. and Mrs. Frank Tillis (Betty Batchelor) of Pahokee announce the birth of a son, Thomas Glenn, at the Everglades Memorial Hospital, June 14.

a castle in the air costs nothing —but you can't live in it!

Make your dream house come true! It's easy —through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

* * *

If you want your interest as current income, and you know about Series H Bonds, which pay dividends annually by Treasury check,

Choose your own savings goal

If you want approximately			
\$5,000	\$10,000	\$25,000	
Save week for 9 years and 8 months, save.....	\$18.00	\$16.75	\$14.00
Save week for 19 years and 8 months, save.....	\$3.75	\$7.00	\$16.75

This chart shows only a few typical examples of savings goals and how much you must save through Payroll Savings Bonds when you want to meet them. For more information, see your Payroll Savings Plan booklet or write to the Bureau of the Budget, Washington 25, D. C.

Christian Science Group Of Canal Point

"Is the Universe, Including Man, Evolved by Atomic Force?" will be the subject of the Lesson-Sermon at Christian Science services Sunday.

Matthew's account of Christ Jesus' stilling of the storm at sea (8:23-27) is included in the selections to be read from the King James Version of the Bible.

Passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (182-32-4): "The law of Christ, or Truth, makes all things possible to Spirit; but the so-called laws of matter would render Spirit of no avail, and demand obedience to materialistic codes, thus departing from the basis of one God, one lawgiver."

The Golden Text is from John (1:1,3): "In the beginning was the Word and the Word was with God, and the Word was God . . . All things were made by him; and without him was not any thing made that was made."

Cadet Bill Cary of Marianna is visiting his uncles and aunts, Mr. and Mrs. J. V. Thomas and Mr. and Mrs. L. J. Fraser, in Pahokee while on a 30-day leave from the West Point Military Academy.

Pahokee Baptist Study Series

The first week of the Summer Bible Study series for children of school age at the First Baptist Church in Pahokee began on Monday. A class each day from 8:25 to 8:55 a. m. precedes the day of recreation at the local park. The study this week included film strips of Missionary studies in addition to Bible emphasis. The class will continue same time each day next week. Children are invited to come by the church on the way to the park.

The nominating committee to name committees and officers for the coming year is as follows: Horace Unwin, Chairman, C. G. Willis, Mrs. Frank Thompson, Mrs. Joe Thompson, Miss Jane Plumer, Wiley Tills, Glynn Carr.

The Vacation Bible School Committee composed of C. A. Batchelor, Chairman, Mrs. Lee Wrotten, Mrs. Ralph Myers, Mrs. Joe Thompson, Mrs. Bob Douthit, Horace Unwin, Paul Tillery, met this past week to begin work on faculty. The school will begin on August 5th. The Pastor will serve as Principal.

Sermon Titles this Sunday are as follows: Morning "By the Finger of God"; Night "The Parable of the Soils". Adult Choir sings in the morning, the Intermediate Choir at night.

The W. M. U. regular monthly Business Meeting will be held at the church Monday at 3:30 p. m. All members are urged to attend.

WILDLIFE CAMPERS

Members of the Pahokee Junior Wildlife Club spent the past week at a camp near Ocala. Included in the group were Thor Hatton, Ronald Jones, Morris Kennedy, Wayne Wagner, Bobby Kennedy, Curtis Russom, Jr., Billy Kennedy, Paul Cruthird, Carlos Raneri, John Cruthird and Ernest Pittman, Jr., W. A. (Pop) Reynolds is club leader.

Phone Booth Is 80 Years Old

The telephone booth is an octogenarian, E. F. Reddy, Southern Bell District Manager here, said Thomas Watson, Alexander Graham Bell's assistant, is credited with improvising the first telephone booth in 1877.

The early telephone was a crude instrument which required much shouting into it in order to be heard, and this shouting upset Watson's landlady. In order to placate the "sensitive-eared" lady, Watson draped the blankets from his bed over the telephone set at one end and a barrel hoop at the other.

Since then the telephone booth has become as much a part of the American scene as the soda fountain, Reddy said. Like the drugstore quick lunch, it meets the American's demand to do things in a hurry—besides offering telephone privacy in public.

Today, there are about 12,500 telephone booths in use in Florida. Catering to the convenience of residents and tourists alike, there are 88 booths in use inside and out in the Glades.

Throughout the United States about 443,000 Bell Telephone booths are in use with more to come, Reddy said. Western Electric, manufacturing and distributing arm of the Bell System, presently expects to produce some 46,000 more booths this year.

Circles Suspend During Summer

The Mabel Simonson and Margery Lair Circles of the Pahokee First Methodist Woman's Society of Christian Service held a joint luncheon meeting at the home of Mrs. H. J. Anderson Monday afternoon.

At the business session of the Mabel Simonson group, which followed the luncheon, the circle voted to hold regular meetings the third Monday of every month through the summer, the July meeting to be at the home of Mrs. Robert J. Schroder. Mrs. Robert C. Hatton, chairman, presided.

Mrs. Anderson, who presided as chairman at the business meeting of the Margery Lair Circle, announced that she was leaving soon to spend the summer in Maine. This circle voted to suspend regular meetings through the summer months.

New Speed Law Is Set At 65 Miles

TALLAHASSEE—State Senator Merrill P. Barber of Vero Beach, chairman of the Senate interim committee on traffic and highway safety, expressed the belief that the action of the legislature in establishing a 65 mile an hour speed limit will result in "the saving of at least one hundred lives a year."

"There still is much to be done in highway safety," Barber said "but I believe we took a tremendous step forward in the saving of human lives when we enacted the 65 mile speed limit law."

Statistics of the Florida Safety Council, America Automobile Association and other groups show that 42 per cent of all highway accidents are directly caused by excessive speed.

Mrs. Wynell Collins is a patient at the Everglades Memorial Hospital this week.

Miss Raineri Is Married To Clifford Stuart

Mr. and Mrs. Hugo Raineri of Pahokee announce the marriage of their daughter, Miss Elizabeth Ann Raineri, to Clifford Stuart, son of Mr. and Mrs. C. L. Stuart of Canal Point, the ceremony taking place at Canal Point on Friday, June 14.

Both the bride and bridegroom were members of the Pahokee High School graduating class of 1937. They are making their home in Belle Glade where he is employed at the Everglades Experiment Station.

Mr. and Mrs. R. O. Crosby had as guests the past week his sister, Mrs. T. A. Murphy and daughter, Nan, of Albany, Ga.; also Mrs. L. F. Gingery and daughter, Stephenie Ann, of Topeka, Kans.; N. D. Gingery and Charles A. Renfrow of Dover, Del.

THE Right MIX FOR EVERY JOB

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67... a \$37.50 Bond will be worth \$67.34... and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90... in 9 years and 8 months, you'll have \$2,860.70... and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure; it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Carolyn Crosby Is Bride Of A1-C Nicholas Gingery

Miss Carolyn Ann Crosby of Pahokee, became the bride of Airman 1-C Nicholas Dean Gingery, son of Mr. and Mrs. L. F. Gingery of Topeka, Kans., at a double ring ceremony held at the Pahokee First Baptist Church Wednesday, June 12, at 4 p.m., with the Rev. James E. Boyd, pastor, officiating.

The church altar was decorated with floor baskets of white gladioli, mums and fern against a background of potted palms.

M. M. Martain, Jr., of Canal Point, organist, played the traditional wedding marches. Mrs. Hugh Branch sang "O, Promise Me," "Day of Golden Promise" and "The Wedding Prayer," accompanied by Mrs. M. P. Stanley.

Given in marriage by her father, the bride wore a gown of white silk over taffeta. The fitted bodice with boat neckline and cap sleeves was trimmed with chantilly lace, iridescent sequins and seed pearls. The ballerina-length skirt was pleated at the waistline. Her fingertip veil of French illusion was attached to a small lace hat. The bridal bouquet of carnations centered with a white orchid rested on a white prayer book from which flowed streamers of satin ribbon.

The bride's attendants were her sister, Miss Ladora Nan Crosby, maid of honor; Miss Theresa Pope, bridesmaid; her sister, Patsy Crosby, and cousin, Nan Murphy of Albany, Ga., junior bridesmaids. Another sister of the bride, Sue Crosby, and Stephanie Ann Gingery, sister of the bridegroom, were flower girls.

The attendants wore dresses of dotted swiss designed in identical princess style of different pastel tints, with matching hats and mitts and each carried a cascade bouquet of white carnations.

Mrs. Crosby chose for her daughter's wedding a dusty rose lace dress and Mrs. Gingery, the bridegroom's mother, wore a dress of white silk with light blue dots. Both had white carnation corsages.

Charles A. Renfrow of Dover, Del., served as best man and Ron-

A TARPON IS BOATED by these lovely Tampa anglers in the Tenth Annual Tampa Tarpon Tournament June 15 through August 11. More than \$18,000 in prizes are offered in the event, largest tarpon tourney in the world and one of the richest fishing meets in American waters. A Derby Day fishoff for grand prizes will be held August 17. Membership in the tournament is available through the Tampa Anglers Association headquarters in the Greater Tampa Chamber of Commerce building.

ald Crosby, brother of the bride, as junior groomsman. Ushers were Jimmy Normand and Wayne Mock, both of Belle Glade.

Following the ceremony the bride's parents entertained at their home with a reception. Assisting the hosts were Mrs. Earl Pitts, also Miss Patsy Batchelor, who served portions of the three-tiered wedding cake, and Mrs. T. A. Murphy of Albany, Ga., aunt of the bride, who presided at the punch bowl.

After a brief honeymoon at Pompano Beach Airman Gingery returned to Dover Del., where he is stationed by the U. S. Air Force. Mrs. Gingery will stay with her parents in Pahokee until next month when she plans to join her husband at Dover.

GIRL SCOUT DAY

Pahokee Girl Scout leaders who are assisting in leadership activities at the first annual Girl Scout Day Camp for the Glades District of the Palm-Glades Girl Scout Council, to be held at the Mayo Pavilion near the Everglades Experiment Station this week, are Mrs. J. T. Boynton, Mrs. E. C. Johnson, Mrs. R. C. Lane and Mrs. Ralph O. Johnson.

Turnpike Has New Speed Law July 1

FT. LAUDERDALE—Trucks as well as passenger cars will be permitted the 65-mile per hour maximum speed on the Sunshine State Parkway, Thomas B. Manuel, Chairman of the Florida State Turnpike Authority, announced here today.

The 65-mile speed limit will be in force 24 hours a day.

On other Florida highways maximum night speed for trucks is 50 miles per hour in the day time and 45 miles per hour at night. Night speed limit for passenger cars is 55 miles per hour.

The new speed limits on both the Turnpike and Florida highways goes into effect July 1.

"The Sunshine State Parkway has been engineered for safe driving up to 70 miles an hour. We have no sharp curves or steep grades. Curves on the turnpike are one and a half degrees and are long, gentle ones. The maximum grade is three per cent and their is just one of those", Manuel said.

Capt. C. E. Taylor, commander

of Troop K of the Florida Highway Patrol which polices the Turnpike, said the 65-mile per hour speed limit is a safe one on the turnpike.

"Acceleration and deceleration lanes on the turnpike permit vehicles to merge without conflict. These lanes also permit vehicles to slow before turning into an interchange."

"The number of traffic violations on the turnpike is very small due to lack of congestion and the fact there are no stop signs or traffic lights. Vehicles are as safe at 65 miles as they are at 60 miles per hour, provided enough space is allowed between them, Capt. Taylor said.

He pointed out that there has been but a single fatal accident to date on the turnpike. Two lives were claimed in that mishap. Since the opening of the turnpike motorists have rolled up more than 65,000 vehicle miles.

spending two weeks with relatives in Georgia.

Mrs. Mertice Young and daughter, Suzanne, left Tuesday to spend a two-weeks' vacation at Bennettsville, S. C.

Those from Pahokee who are attending the Summer Music Camp at University of Miami for five weeks are the Misses Lory Ann Rockwell, Glenda Faye Russom, Jean Brown, Cyndy Friend and Nancy Thomas.

Mr. and Mrs. S. H. Cooper and son, Mackey, of Tampa, accompanied by his sister, Miss Gale Bridges of Athens, Ga., spent the weekend here visiting her brother-in-law, and sister, Mr. and Mrs. Add Atkins.

APPRECIATION

I want to sincerely thank the many wonderful friends in the Pahokee and Canal Point community for their thoughtfulness during the short illness and death of my father, Dr. W. O. Strickland in Glenville, Ga. The many wires and cards were encouraging in an hour of grief. The dozens and dozens of floral tributes were heart warming. My mother joins me in extending heartfelt appreciation to each and everyone.
